Bummer camp

LUCY, TRURO

While camping with my husband this summer, I started teasing two young lads in a nearby tent.

One thing led to another and one night my husband got very aroused when he got back from the shower and found the lads touching me up.

They had taken off my dress and were running their hands over my breasts and pussy.

One of them buried his face in my pubes and tongued my wet pussy lips and clit while the other flopped his cock into my mouth.

They swapped round and the other guy stuck his cock in my panting mouth. He was even thicker.

I reached orgasm in no time at all and had to clamp a hand over my mouth to stop the whole campsite from hearing.

I could see my husband standing there stroking his cock, really erect at the sight of his lovely wife being such a horny bitch.

The guy who was licking me nudged his cock into my pussy.

He rammed his dick in and out of me and soon my muscles tightened round him as I reached another shuddering orgasm.

The other guy then took his place in my spunky pussy.

This all proved too much for my husband who followed that up by spraying his spunk over my bouncing bottom.

Lucy, Truro.

Lick her licence

Ever since I realised I was a lesbian, I've been looking for kinky thrills with other women. Recently I decided to place a contact ad online. I just posted an undraped picture of myself, saying I was open-minded and wanted my limits pushed.

I got a lot of replies, most from single women and a few from couples, straight and lesbian. But the winners were Nicola and Amanda. They were both married – to men – but had been fucking each other for years. A few emails later, we decided a threesome might work, so I went to stay with them for the weekend, at Amanda's place while her husband was away.

They suggested leaving Friday fuck-free, just so we could all get to know each other better and work out exactly what we wanted. But we all knew what we were after a couple of hours and a few drinks later.

In the bedroom, we all kissed and undressed each other, Nicola and I ending up totally naked while Amanda kept her split-crotch knickers on. Between us, we also had the biggest collection of sex toys I'd ever seen – I'd narrowed my choice down to ten, Amanda had a drawer full and Nicola's hold-all seemed to be rattling with the things.

The pair of them were desperate to have a crack at me. They were both pretty sexy women in their mid-20s, but how many 30-year-olds did they meet who were up for it like I was? As it was Amanda's place, Nicola let her go first. She laid me down on the bed, arranging me just how she wanted – legs apart and cunt wide open. I put my hand up to grab my tits but Nicola asked me to stop

SHE WANTED TO SEE MY BIG TITS WOBBLE WHILE SHE FUCKED ME

she might as well have plugged me in, the way I convulsed about as she pressed it lightly against my clit. Then she got a dildo and slid it up my hole. I was already frothing wet. As she worked up to fucking me hard, I gave as good as I got, pushing back against her.

The next time she pulled the toy almost all the way out, I put a hand down and grabbed it round the shaft. She asked if I was okay – I said yes, then moved it down so it was poised over my arsehole. I slathered my own pussy juices over the shaft and on my arse, and Amanda used some lube as well, just – she wanted to see them wobble about as Amanda fucked me!

Amanda had this really powerful vibrator – the type you plug into the mains – and to be sure.

I looked over at Nicola, who was strapping on a dildo, distracting myself as Amanda pushed hers up my arse. Now, as she pumped me slowly, Nicola walked round and let me take a suck on hers. I had a cock in both ends (a first for me), my bum tightening around Amanda's shaft every time I sucked deeper on Nicola's.

Now Nicola asked if they could change ends. Nicola's strap-on was just that bit slimmer than Amanda's hand dildo, so I was already nicely opened up to take it. Next, Amanda strapped on a clean dildo for me to suck on. I had a vibrator on my own clitoris, and my pussy was streaming with juices. My two new friends just kept me cumming, until I couldn't cum any more.

They were insatiable, though. Amanda used her toy to fuck herself to orgasm, while Nicola barely let me recover before she was asking me to strap one on. I pretty much just lay there, moaning with pleasured exhaustion while she straddled my crotch, fucking herself against the big rubber prong sticking up from it.

We've said we'll hook up for another shagfest very soon!

TRUE BLUE

Interview by Rose Crompton

Director Scarlet Revell: Beats Alfred Hitch-cock's profile

Porn director Scarlett Revell reveals how much fun it can be to call lights, camera and plenty of hot, fucking action!

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

As a teenager I used to collect and watch a lot of porn. I'd spend $30 of my hard earned cash to buy a DVD, but when I watched it I was often left disappointed. Don't get me wrong – it still did the trick, but often the girls looked bored or lazy, the lighting was poor and generally it appeared amateurish. For the amount I was spending I wanted something that looked beautiful and showed amazing sex. I didn't understand why it was so difficult to find that. Perhaps because of that experience I knew I wanted to be a porn director. Now I've achieved it, I get to put my ideas out there and see my whole, sexy vision come together.

Currently I work for Harmony and have directed four films. To me directing adult movies is an art, because I think sex is such a beautiful thing. I like my films and the performers in them to look beautiful, so I'd say the style I'm developing is couture. I love fashion, lingerie mostly. I say couture because of the outfits I use and designers I work with. For example in my most recent film, *Sex in Venice*, all of the outfits were designed by Atsuko Kudo, a latex specialist who is Lady Gaga's designer. The girls look gorgeous in their beautiful outfits. I have to say, I love women in latex as it really emphasises every little thing about their body. If fashion magazines included porn, then my films would be in the pages of *Vogue* or *Harper's Bazaar*.

Obviously, there's more to adult directing than lingerie. I love my job because I get to look at people having sex and meet beautiful women. Basically, I get to tell people how to have sex and I make a story out of it. Then it becomes a DVD that people want to masturbate to and that's exciting for me. Whatever turns me on is what I film. For example, I have a lot of anal sex in my personal life, so I include a lot of anal play in my movies. That is a key bit of advice to any aspiring porn director: point the camera to what turns you on.

Being director isn't always easy and I work hard. Stepping on set as a director there is certainly more pressure. If things go wrong you have to be able to think on your feet. I remember when I arrived on set as director for my début film *Mind Fuck*. I was nervous, but you have to learn to compose yourself. Sometimes I didn't know what to do, but just went with my instincts. That's a skill I think every director has: if they're unsure about something, or something goes wrong, they find a way around it.

Shady lady: Revelling in a world of kinky sex

"I have a lot of anal sex in my personal life, so I include a lot of anal play in my movies"

"But I'm here for my ingrowing toenail, doctor."

The toughest aspect is the intro to a scene, because it's heavily choreographed: I tell them what to do, how to do it, how everyone should be dressed; the make-up and everything is planned, but when it comes to the sex I know my guys are fantastic and will get me what I want. If the girl is new I can rely on him to move her, or know if I want the sex really hard or really romantic. If the girl is experienced I'll just be like, "Hey, give me what you've got," because sometimes when you let the actors have sex they'll come out with the most amazing thing.

For example, I was so lucky with the first scene I filmed for *Mind Fuck* and it's easily the hottest I've caught on camera so far; it was such a surprise! The scene was with Celeste Star, Skin Diamond and Adrianna Luna. I didn't know Celeste and Skin hadn't fucked each other before. They'd been on set together before, but never had sex. Not for lack of trying! That day I had the honour to see how these women would fuck each other. It was amazing! I kept filming and shot more than I needed to because they didn't want to stop! It was brilliant to see two women fuck each other's brains out: you rarely see that. I was getting a little tingle down there and I thought if I and other people in the room are feeling it, then this must be really good and it was! It got nominated for the AVN awards in the end.

What's next? Well, I'm not too sure. Perhaps something more story based. But you'll have to watch this space and I promise you'll be the first that I tell...

Wanking from home

Working from home means I can get up five minutes before my working day begins, and walk – sometimes drag myself – over to my desk!

Recently, my bloke, Dean, slept over at mine, and when it was time for me to get up for work, I just left him in bed. But, about an hour later, he started wanking next to me.

Sometimes I'm too professional for my own good, and I just carried on typing. But as Dean got more and more worked up, I kept looking over at him, glancing at his cock. It looked so tempting!

In the end, he won. I put his salty cock in my mouth.

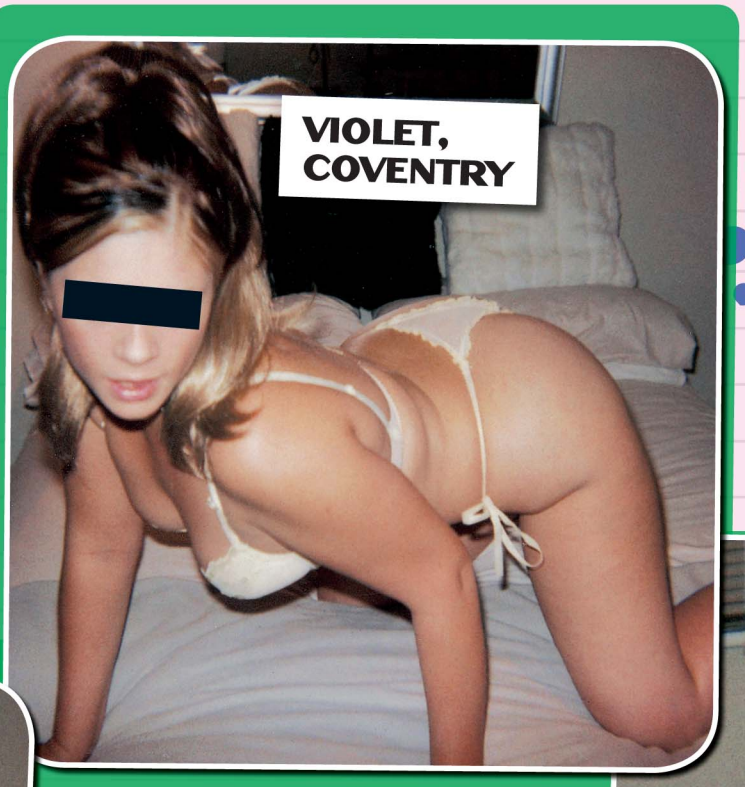
Suddenly the phone rang. Dean told me to ignore it. "Keep on sucking my cock instead," he said.

A few minutes later the best thing I could do was grab Dean's cock and wank it a bit slower! "Sorry, I was in the loo," I told my manager. If I'd looked Dean in the eye now, I'd have lost it.

Now Dean reached down and pulled my tits out of it, then wrote "Talk to him in the nude" on my notepad by the up and down it in a blur, while I answered the phone.

I tried to play it straight, but I was too distracted. The Dean gave them a rub, then walked his fingers down over my stomach.

Luckily, I managed to end the call before he reached my cunt. I wanted to kill him – but not before he'd made me cum! "If I shag you, will you fuck off and let me do phone. I knew arguing would just lead to more trouble, so I let the robe fall off and sat there, tits stuck out proud.



I TELEPHONED MY BOSS WITH A COCK IN MY PUSSY

came strutting into the room I use as an office, stark bollock naked and with a massive hard-on. Good thing I didn't have my computer webcam switched on!

"I'm trying to work," I said.

"I know," he told me, and

some work?" I asked.

I braced my hands on the desk, Dean finger-fucking me a little bit more – if I told him to get on with it he'd take even longer. Anyway, I liked it! And it was probably just a minute before he put his cock in my cunt and started shagging in and out. My pussy had had a bit of a seeing to the night before, so I was really feeling it now.

The phone rang yet again, and he told me to answer it – or he'd do it for me. This was so off-the-scale crazy, I actually managed to stay cooler than I'd done before, talking normally to my manager. To be fair, Dean didn't slam me like before, he just stayed deep inside me.

After hanging up I left the phone off the hook. Now Dean could fuck me hard as he liked. He really gave it to me, and as I started cumming I felt him jizz inside me too. For as long as he could stand to, he stayed inside me, frigging my clit till I came again. Then he pretty much staggered off to the bedroom to sleep it off.

I was so energised that I got loads of work done! The thought of knocking off for an hour of cock at lunchtime motivated me too!

Violet, Coventry.

ANNA MARIA

Doing the washing up can be so soul-destroying after a Sunday roast that sometimes we prefer just to smear ourselves in mild green Fairy liquid and leave the baking trays till Wednesday – oh, beg your pardon, that's just Anna Maria here, a sexy if slovenly sort from Darlington whose slutty moods take her, well, anywhere. "Life's too short to do the pots and pans, grease me up and let's go! And don't forget to use that scrubbing brush!"

ANA BELLA

Pervy painter Ana Bella seems to be going through a purple patch – literally. "Yes, I love it up the bum! I'm covering that up though – there's not a cat's chance my landlord is going to see me advertising that, the dirty git! He comes round far too much, trying to catch me in the nude I reckon! I'm redecorating the flat for free, so the least I can do is have a bit of fun! Now who's going to help me get this off in the shower?"

The Dyke Side

I'd been bi-curious for about a year when a lesbian mate of mine finally did something about it – fixed me up her ex.

Abi was cute rather than stunning, smiley with big blue eyes. Somebody who'd fuck for fun and not take it personally if my experimentation didn't work out!

I ended up at hers, just tipsy enough to stop being shy, and she took me straight to bed. She got on top of me, sliding a knee between my thighs, so it squashed my swelling cunt-lips against clit.

I watched her boobs jiggle over my face and then I kneaded them together around it, shaking my head from side to side.

As I sucked on her nipples, her hand trailed in between her legs. As she worked away at her clit, I rubbed up against her thigh, turned on when I felt her body tense then shudder with pleasure.

"Sorry, sweetheart, you just got me too turned on," she said. I didn't mind – I was sure I'd soon get to cum too.

She asked did I like toys and of course I said yes. Her latest find was this little golden bullet-looking thing. I couldn't believe it had enough oomph to get her off, but as she touched it to my pussy – just the outer lips to start with, I felt it had plenty.

"Just lie back," she told me – I had to hang on to the headboard to keep my hands to myself!

She kept on teasing me with the vibe all over the outside of my pussy, so by the time she skimmed it along the slot between them, I started squirming – and it only took about a minute for me to cum.

Next I said I wanted her to lick me, to just feel a woman eat my cunt.

She closed her mouth over my hole, sucking gently as her tongue flicked in and out, and her fingers worked over my clit. Every now and then I'd feel her swallow, and when the pleasure hit me full on, she strung it out for longer than I'd ever managed myself.

She knew a few more tricks as well, like hooking her fingers to catch my G-spot. I kept telling her to rub my clit as well but she just told me to be patient. And again it was a slow, warm build-up but when I finally climaxed I couldn't move and my pussy gushed.

When I saw the mate who'd fixed us up I gave her a big kiss. She asked if I'd "come over to the dyke side" and I smiled and said I'd be seeing Abi again very soon. And I can't wait!

Kristin, Norfolk.

1 His Ultimate Sta Hard Kit

Everything you need and everything you want!

My partner found it a massive turn on. She said it was actually nice to have bedroom toys that focused on me for a change!

2 Adrien Lastic Pocket Vibe Red Devil

Great little product. Very powerful, got the job done in no time :)

Brilliant, everyone should have one. The main reason I purchased it was because it was cute, small and easy to conceal when travelling.

3 Bettie Page Vibro a Go Go Classic Vibrator

Classy and sexy

The 'Queen of Pinups' is a must in my toy collection.

4 Dr Joel Kaplan Silicone Scrotum Support

This thing is pretty freakin' great!

Durable and works as promised. I would defo buy this product again

BROOKE

Going down to the fridge in the middle of the night at Lauren's house may result in a midnight feast you may not have been expecting. "My sister and her boyfriend was staying over one night and I bumped into him in the kitchen at three in the morning drinking milk from the fridge," confesses the 22-year-old. "Without a word, I dropped to my knees and took a drink myself. We had to be totally quiet as my sister was in the next room and it made me laugh when he pumped down my throat while trying not to gasp with surprise and pleasure. I thought he was going to have a heart attack. Then I would have had some explaining to do to my sister!"

LILY, CORNWALL

Mobile moan

The other day, I found a mobile phone someone had lost down my local. It had "Home" in the contacts, so I called the owner, a girl called Lily, and offered to drop it off at her place the next day.

She asked me in for a cup of tea, and offered me some cash to thank me for my honesty. I said no need – what was a bloke like me going to do sparkly pink handset anyway?

"Give it to your missus?" she suggested, in quite a suggestive voice. She looked like a bit of a minx too.

I answered that I didn't have a missus to give it to, and the banter just went on from there. The ring on her left hand told me she was someone's missus, but if she wanted to mess around, that was between her and her other half.

Either she wore slinky, expensive undies every day or she was out for fun even before I arrived. She stripped down to this deep pink matching set of lingerie and hold-ups, and made me promise not to breathe a word.

She also seemed to be the type of bird who's used to getting what she wants, ordering me around, telling me how she liked to be touched and so on. Not that she protested when I grabbed her round her slim waist and dragged her over my knee.

I pulled her silky knickers right up into her crack, then told her to remember what this was about – her thanking me for giving back her phone, not me coming round to service her.

Next thing, I had my hand inside her knickers, fondling her snatch. Then – unable to resist taking over – she got up, pulled them to one side and plonked herself down on my lap, gyrating for her own

SHE SQUIRMED HER ARSE TO TAKE ME DEEP

Lane attraction

Staying at my mother-in-law's is never fun. She's a cow and the walls are thin so I can never fuck my husband.

So last time I told him to say we were going to drive to the shops as I was gagging for a shag.

He'd barely parked in a country lane before he was shoving my seat back and snogging the face off me and pulling my tits out, mauling at my nipples with his mouth.

I let out a gasp as his hand went up my skirt and inside my knickers. Taken by surprise I still wasn't very wet, but I felt my pussy start to juice up rapidly as his fingers probed my clit and hole.

There wasn't room to strip off so he just pulled them aside and unzipped himself. Then he got on top of me. He's quite a big bloke and I like to feel his weight pressing on my crotch, splaying my legs wide open.

We snogged again and I was clawing at his back, sticking my hands up his shirt to get to his skin. I didn't want to hurt him, but the feel of my scratching nails sent a shiver through him as his prick slid up my cunt.

He fucked me deep now, grinding in circles, squeezing my clit against my pubic bone. Normally I cum from having him rub it but this felt different, like a big, warm glow slowly spreading out from my crotch, then a sudden shudder hitting me from nowhere. I moaned loud, rising to a yelp as he started sucking on my tits again, and he strung it out.

"Like that?" he asked, and I moaned that I did. Then he said he was going to finish off in my arse. I hesitated and he asked how horny I'd feel walking into his mum's house knowing I'd just been slipped a length up the bum.

That convinced me – he got off me and I rolled over and grabbed my handbag from the back seat, seeing what I had to lube myself with. Slowly, and using a blob of hand lotion, he guided his knob inside me, then we lay face-down on the seat, me feeling like he was deeper in me than he'd ever been. I couldn't keep from moaning so I buried my face in the headrest, breathing in the smell of the leather.

When I came this time it was quicker, sharper. Then I felt his bollocks empty into

pleasure as I got my cock out.

She reached underneath herself, wanked my shaft a few times, then stuck me inside her, squirming her arse and splaying her thighs to take me deep. All the while she was frigging her own clit and, once she started to cum, she was off again and again.

I got the feeling she liked it a bit rough – she was certainly bouncing on me hard, and when I grabbed her tits and gave her nipples a pinch, that just set her off even more.

As she cupped my balls, I felt them tighten up and knew I wasn't far off my own climax. I just kept hold of her tits, then nuzzled and mauled at the back of her neck, raking her soft skin with my stubble, as her soaking, sucking pussy got me off.

A big load of cum – mine and hers – splashed out all over my cock and balls. I watched her frig herself, and her pussy pumped out even more as she orgasmed.

Mark, Cornwall.

Strap Dance

KATIE, ILFORD

The other night, I went over to my girlfriend Thea's place. After a couple of drinks and a light dinner, she tied a black silk blindfold over my eyes and led me though to the bedroom.

She laid me out on her big bed and pulled my legs wide open, and my body quivered in anticipation of her tongue against my slit. But she left me in suspense for few minutes and then I felt something much bigger bump up against my crotch.

She felt her way up the front of my body, giving my tits a stroke and a squeeze. Then she pushed the blindfold up and off my eyes. I blinked against the light then looked down to see she was wearing a massive strap-on.

It was like my girlfriend had suddenly sprouted a big, stiff cock and shaved balls instead of the tight, tasty pussy I loved licking so much!

Thea has always been good at roleplay and, when I started sucking on her dildo and felt up the bollocks, she acted like she did when I was eating her cunt. I tried to deep-throat it and didn't quite manage the whole length, but it felt like I had a giant, perfect dick in my mouth. I didn't even mind that it tasted different to the real thing – Thea likes wearing rubber and I've often gone down on her through her tight fetish panties.

Now she told me to open my legs for her again. I parted my legs and felt the tip of the dildo, hot from my mouth, bump up against my cunt. It looked enormous, bigger than any cock I'd ever taken. But I was sopping wet from all the messing around we'd done and she lubed the whole length of it again, so it slid up me in one push. I took it easy, but it stretched me so wide.

It was like getting fucked by two people at once. If I shut my eyes, I could imagine I was taking it off a big-dicked bloke. Then I'd open them and see it was Thea again.

She fucked me in and out for a while, then stopped humping and ground up against me instead, angling herself so she caught my clit. Soon I was right on the brink of cumming my brains out.

She let me orgasm around the dildo, my fanny clenching and trembling until I was totally spent. I lay there for a moment, panting.

"Now it's my turn!" I said.

Katie, Ilford.

BLINDFOLDED, I QUIVERED IN ANTICIPATION

I FELT HIS BOLLOCKS FLOOD MY ARSEHOLE WITH THICK WARM CUM

my arsehole, flooding it with thick, warm cum.

Having our dirty little secret over his mother just made it easier for me to tolerate all her bullshit that weekend!

When we parked outside our house that Sunday, I wouldn't let him go in until I'd given him a thank-you blow job. I don't think that anyone saw us, but I can't be sure, given that I was headfirst in his crotch at the time…

EMILY

"I take my little dildo everywhere – even up the arse!" laughs saucy student Emily (18). "I love to nuzzle it against my clit while I finger my pussy and I also get off sliding it up my arse while a nice fat cock jams up my juicy pussy. Once I lost it and I had to use the contents of my vegetable drawer in the fridge. Carrots and cucumbers are best but don't bother with celery – it just snaps. Now, do you want to see how quickly I cum?"
